## Exhibitions

The West End Centre regularly exhibits a wide range of work. Entrance is free to all exhibitions and private views.

### Exhibition Space for Hire

The Gallery at the West End Centre is a good-sized space (14mx6m or 47'x20') suitable for 2D and 3D work, and is the only gallery in the area. With a busy building, friendly staff and a high footfall, you can't go wrong! Opening hours are 10am-9pm term time. Hire fees are low and, given enough notice, we will advertise your exhibition free of charge in our brochure which is delivered to over 12,000 local homes and businesses. We encourage all artists to have a private view where you have the option of providing your own alcohol or making use of our Bar.
